

VIDHI EKTA SNGH(VES)

Short Introduction of VES

Vidhi Ekta Sng(VES) (VES) is a legal association primarily focused on fostering unity among law students, lawyers, advocates, judges, and individuals associated with the legal field.

VES was established on May 1, 2022. Its history traces back to the initial days when it began by creating videos on YouTube, primarily centered around Allahabad University Admissions. As the number of law students increased, and the demand for information grew, a Telegram group was created to address personal issues and admissions.

Gradually, this initiative gained momentum, and with the support and affection of students, VES expanded its reach. It acquired and integrated approximately 8-9 online law groups, eventually adopting the name 'Vidhi Ekta Sng(VES).' VES pledged to make history in the legal community, commencing from September 21, 2022

Its commitment is to provide unity within this legal community, allowing individuals from various backgrounds, whether they are law students, advocates, judges, or anyone affiliated with the legal field, to collaborate and contribute to each other's endeavors.
